4 Bedroom, 3.00 Bathroom, 2,210 sqft
Residential on 0.21 Acres

Britannia, Calgary, Alberta

Fantastic opportunity to build your new dream home in the desirable heart of west Britannia. From this quiet location it's just over a block to Crescent Park and Britannia Ridge Park with its walking paths leading down to the Elbow River Valley. Also, just a few blocks walk to Britannia Village and surrounding shops, restaurants and services. Easy access to the downtown core. Generous ~9100 square foot lot at the corner of Elizabeth Road and Charles Avenue. A new build would most likely be positioned off Charles Avenue which would then create a sunny southeast exposure rear yard that pies out to 76'. This lot would work great for a bungalow or a 2 storey. The house itself is "as is, where is".

Built in 1955
