The exterior curb appeal of the property holds an Executive Estate style feel with a large curved concrete driveway that leads up to the house & the 22' x 22' detached garage. This extraordinary pie shaped lot provides an abundance of space to call your own, making it a great argument to label it home. The Primary bedroom has a resort style 5 piece ensuite bathroom with in-floor heating, a huge soaker tub, Stand up shower, double vanity, auto LED lighting & a walk-in closet with a large skylight for natural light ambience. The 2 secondary bedrooms share a 4 piece bathroom that also has in-floor heating, which feels awesome on your feet. For a big convenience, you will find

tucked away, the main floor laundry room adjacent to the kitchen. There is also a back landing (just off of the kitchen) that provides backyard access & heads down to the lower level. In the basement the carpet is super comfortable & covers the span of the area; the main area is very large & could easily spark bringing your basement dreams to life.

Bedrooms #4 & #5 make for a great space for when guests are visiting or could also be a solid home office setup. There is another bathroom with in-floor heating that is convenient & easy. Mix a drink at the wet bar (before relaxing), otherwise there is nothing to do but enjoy this awesome space. Another important item to note; the whole house is heated & cooled with a top of the line Daikin Furnace & Heat Pump (2023); bring indoor comfort to the next level with this upgraded system.
